Lake Fenton High School
Fenton, Michigan

Foreword

The STRUCTURE, LIFE, HANDS, SPIRIT, and HEART of Lake Fenton are captured within the pages of this Anchor.

STRUCTURE, given through the guidance of the administration, faculty, and staff, reminds us of goals set.

Activities dominate the year giving amusement and entertainment to LIFE.

HANDS extended in friendship are here joined to work in our numerous organizations.

School SPIRIT is rightly illustrated in the athletic program of Lake Fenton.

The students who participate in every aspect of the school program make up the HEART of the school.

Like the blocks form the physical plant of the school so to do the administration, faculty, and staff form the structure of an educational environment.

In the following pages we have titled, departmentalized, and categorized members of this structure, an impossible task for in education surely we cannot be bound by such limited divisions.

Coming to us from Hale, Michigan, Mr. Samuel Gravitt's first year as superintendent of Lake Fenton Schools has been most successful.

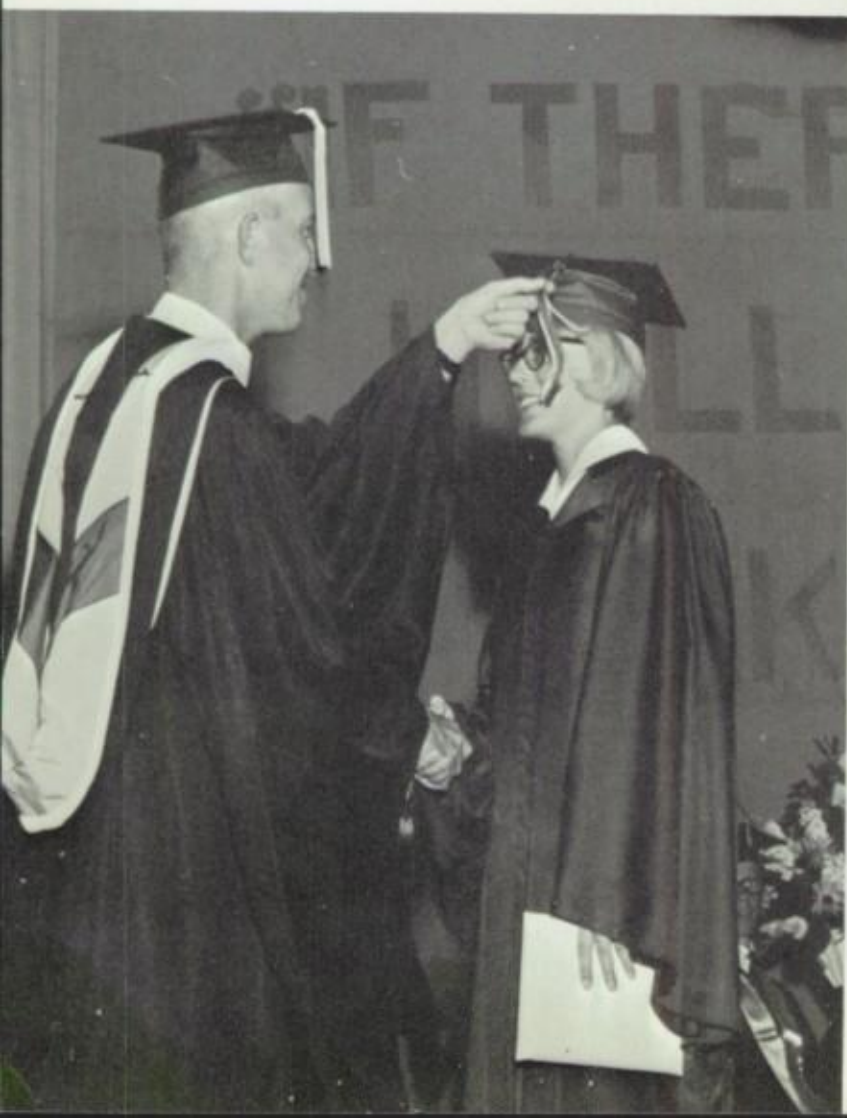

Many innovations have been introduced during his first year. The most conspicuous of which is the smooth completion of negotiations with the faculty and school board.

Students, Staff, and Community hope that Mr. Gravitt and his family will enjoy a long stay at Lake Fenton.

RICHARD T. HIGGINS
High School Principal

The duties of a principal are many and varied. Mr. Richard T. Higgins has always managed to keep them running harmoniously.

In his leisure time one can see Mr. Higgins enjoying a school play or announcing a football game.

Many thanks are due Mr. Higgins for his loyal support.

As the face of a clock changes so does the life of a school vary. Activities depict Lake Fenton's life with a grin.

The differing types of school amusement and entertainment are designed purposefully to serve as an outlet for the individual's desire to associate with others, to appreciate the talents of others.

Organized and disorganized, they dominate the year-round school scene in a kaleidoscope of happenings, thriving on overflow energies that textbooks and bull sessions, lectures and love affairs cannot disrupt.

LIFE

Queen Mary

Mr. Gravitt, Superintendent, presents Queen Mary with roses.

Joyce Wilson, Claudia Cohoon, Queen Mary Biagini, Diane Cunningham, Cynthia Lawrence

Her Majesty's Court and Representatives

Nancy Newcomb, 1964 Homecoming Queen;
 Sophomore Representatives Cindy Neely and Paula Grimes;
 Junior Representatives Pam Lemere and Lynn Short;
 Freshman Representatives Sue Newman and Carol Ashby.

"Power to Spare" was the title of the winning float by the "EVEREADY" Seniors

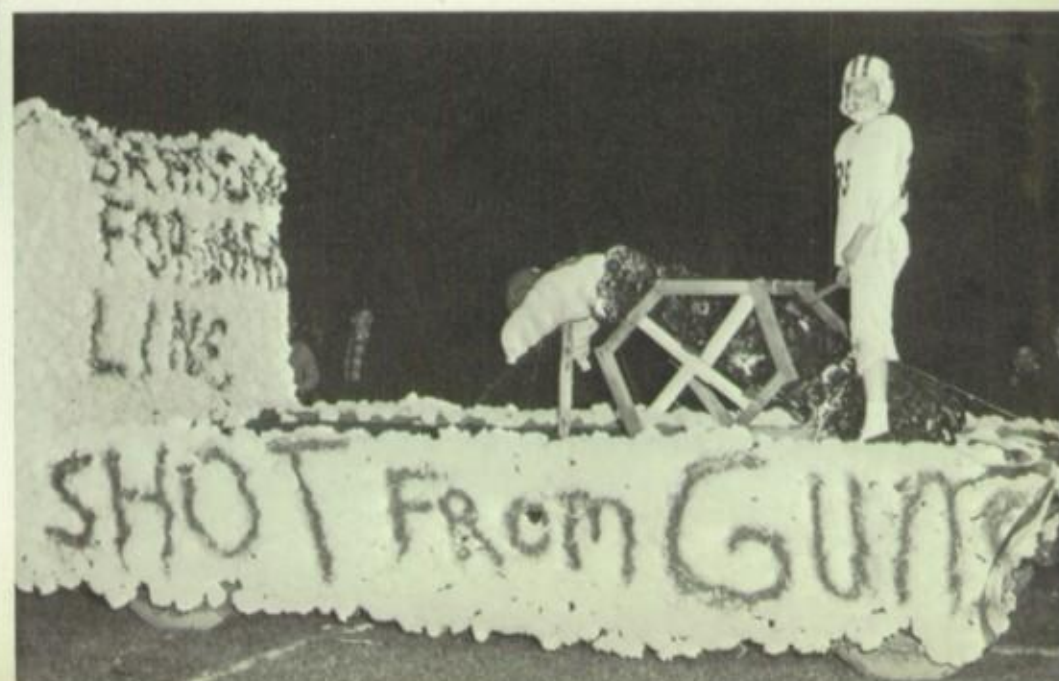

The second place Junior float was entitled "KILL 'EM DEAD."

Homecoming Floats and Dance

"LET'S CAN 'EM" the Freshman float received a well-earned third place.

The Eighth grade float entitled "SHOT FROM GUNS" placed fourth.

"GIVE 'EM A RUN DOWN FEELING"
the fifth place float was built by
the Seventh grade.

The Sophomore float "IMPERIAL"
placed sixth.

Surprise!

And we won the game!

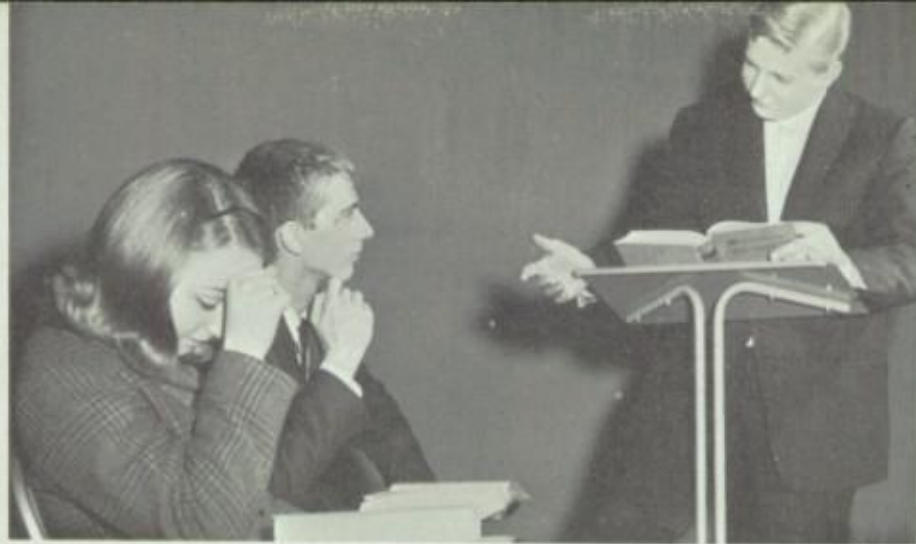

Junior Play “The Thread That Runs So True”

Jesse Stuart (Bill Wilson) had his work cut out for him when he volunteered to teach a one-room schoolhouse in the hills of Kentucky. With the help of Naomi Deane (Lynn Short), Jesse overcame the obstacles of the school bully, Guy Hawkins (Dennis Lutz), and the stubborn school board president, John Conway (Greg Clausen).

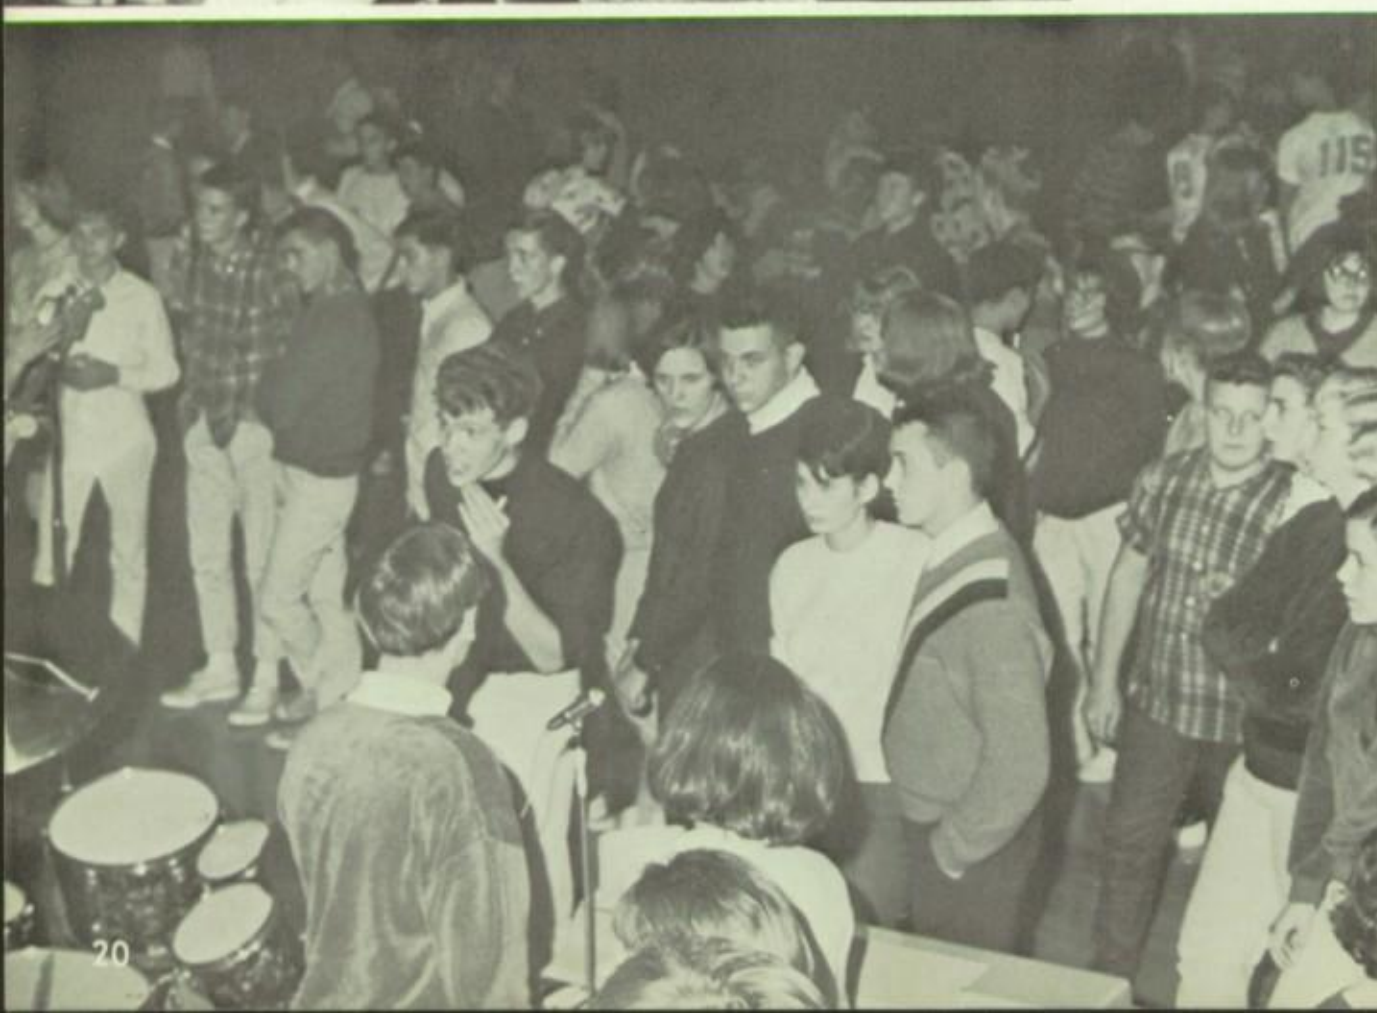

Senior Play "Take Her She's Mine"

Frank Michaelson (Bill Davidson) finds that sending his daughter Molly (Diane Cunningham) to college in the East increases his problems and concern. Mother (Claudia Cohoon) and sister, Liz (Celia Evans) find the changes in Molly hard to believe. However all managed to weather through the years of hilarious events leaving father looking to Liz's college career.

One part of the extracurricular life of Lake Fenton evolves around its numerous organizations. The groups to which the individual student belongs vary, and his interests are truly indicated by his selection of membership.

Each group trains the person to follow and to lead, developing his capabilities. Working and dealing with fellow members as well as those outside the group becomes an educational experience valuable in its own right.

In spite of its never ceasing growth, Lake Fenton cannot be called impersonal, the many and varied student groups have seen to that.

National Honor Society

Juniors and Seniors whose records represent outstanding scholarship, leadership, character, and service are members of the Lake Fenton Chapter of the National Honor Society. The Honor Society members have the desire to achieve and the willingness to accomplish their high goals. Miss P. Kinder and Mrs. M. Cole are the sponsors of the Lake Fenton Chapter.

Thespian Society

The honor society for drama students, the National Thespian Society, inducted eleven new members who had earned ten points. The points were earned by participating in apprentice dramatic activities. The society produced the children's play and acted as assistants to all other plays.

Greensleeves (Bill Wilson) taught Princess Miranda (Debbie Reid) to laugh, sing, and dance. The Duchess (Paula Bailey) was very distressed by this gaiety. For many, the highlight of the children's play was when the Duchess went up in smoke.

A directed program of athletics plays an important role in a balanced school program. The athletic field provides a place for practical demonstration of the standards taught in the classroom as well as a recreational outlet for both athletes and student spectators.

With a policy which states that athletics are designed to contribute to the general overall education and purposes of the school Lake Fenton's program continues to grow.

Speedball

The 1965 Speedball season started out rather slowly, but ended with the usual success, under the direction of Coach Miss Virginia Wolford. Cindy Hanks acted as Captain, with Camilla Cowles her Co-captain. The girls proved good representatives of the lively Lake Fenton spirit and fight, and promise a very valuable team in the future.

The "Devilettes" chose Kathy Morey as their most valuable player, and Martha Graves as their most improved player.

Senior Athletes 1965-1966

The senior athletes have composed a valuable part of our sports events, not only in the 1965-66 seasons, but throughout their high school years. Being the most experienced of all the players, they have been the backbone of their teams, leading with abilities and spirit. Through their efforts they have been rewarded with the quality of good sportsmanship, and the stimulus of hearty competition. Lake Fenton will miss these athletes as they surrender their positions to their underclassmen, but they will not soon be forgotten.

There was never a dull moment at a Lake Fenton basketball game this year. From the very first game it was easy to see that it was going to be a hard season. The scores remained neck to neck throughout the games and then it was during the last few minutes that a game was won or lost. When time ran out on the clock, there were games that had to go into overtime. These games were won or lost by just a few points.

The Girl's basketball team had a fine year winning six of their eight games. The team worked hard to recover from the blow of losing the first game of the season and, then, held their winning streak until the fifth game again against the Linden team. The coach, Miss V. Wolford, feels the team can have a perfect year next season if the girls put forth enough effort.

Congratulations for a job well done, boys! This season Lake Fenton's Varsity made a fine showing with a 5 win and 2 loss record, winning second place in the League Standings. Lake Fenton's Chuck Grossmann won the Outstanding Pitcher in Suburban C League. Many thanks are in order to Mr. Girard, Lake Fenton's new head baseball coach.

J.V. Baseball

Hampered by poor weather for practices and off to a poor start by losing the first two games of the season, the boys played hard to win the third game. With the feeling of success in mind, they tried valiantly but lost their next game. The team rallied and won the last game of the season.

We hope to see them out trying again next year but wish them more success. This year, indeed, the J. V. Baseball team has gained much experience.

Varsity Track

Congratulations to Coach Mr. Winston and his boys for their fine performances during the season. At the Suburban C. track meet our team won its first varsity track trophy when the 880 yard relay team of Bill Stubbs, Darrell Kane, Glen Mitchell, and Mark Lawrence became the Suburban C. champions in that event. The team placed fifth.

RECORDS

Glen Mitchell 2nd in the 440
 Mike Kendall 3rd in the 880
 Mark Lawrence 4th in the 100
 Mark Lawrence 5th in the 220
 Darrell Kane 5th in the long jump

Mile relay team of Bill Stubbs, Dennis Church, Mike Kendall, and Glen Mitchell placed 3rd.

Girls' Softball

For the second year in a row the girl's softball team has brought the league championship to Lake Fenton. They accomplished this through an undefeated season. Miss V. Wolford hopes that the girl's team can repeat this next year even though the team will miss Denise Dawson, Celia Evans, Cindy Hanks, and senior pitcher Kathy Morey.

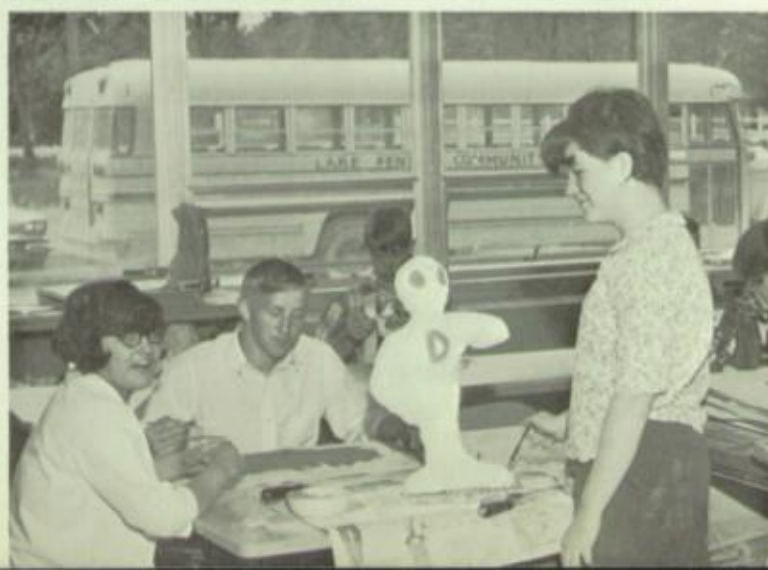

The hours spent at practice and games well played deserve our congratulations.

Here is a detailed account of our school's student body. These students who participate in every aspect the school has to offer are still individuals and we show them as such in the following pages.

These are the people who make Lake Fenton a complete and living school. They are the people who grow and help the school to heighten its stature in the eyes of the world of learning!!

H

HEART

Sam

It has been really fun to live and to study with you in Lake Fenton. I have learned a lot of things, good and bad, that I will never forget in my life. But once in a while I was in a dilemma not knowing what to do. In such a case I could not help but be surprised to realize how true the proverb, "When in Japan, do as the Japanese do." Anyway I hope I have understood the real way of your lives, as well as I hope (vainly) that you received a good impression of Japanese people.

When I go back home, there will be little fun waiting for me. I have to study really hard to keep our promise. Remember at the AFS assembly I said I was going to be a Prime Minister of Japan?

With many thanks to the friends, teachers, and the Hoopers,

SAYONARA!

Editor's Note

During the six years I have worked on the ANCHOR Staff, I did not realize before I became editor how much of a challenge completing the yearbook was. As I remember the difficulties we had with these pages I wish to thank our Sponsor, MR. JAMES QUIRK for all the help and time he has given me. To MR. KEN DRAKE, our Taylor representative, for being so patient when we missed deadlines and HICKS STUDIO for all the pictures they have taken. Thanks also, to MRS. JAMES QUIRK for all the copy and typing she has done. My sincere thanks to the ANCHOR Staff: DIANE PETERSON, MARGARET JUDSON, PAT WHALEN, CAROLYN HOFFMAN, LINDA POYNER, SHIRLEY DOWNING, GREG CLAUSEN, DEBBIE REID, DOUG CRAVENS, DAN BRINKER, and my FATHER for all the help he has given me during the past six years. Without the cooperation of all these people the challenge of completing this book could not have been met.
